Workshop Title: Case discussion in feasibility of Telerehabilitation with Seniors with Deconditioning conditions in Singapore

Workshop Organizer(s): Sylvia Liew

In person Speaker(s): TBA

Virtual Speaker(s): TBA

Workshop Time: 08:15 - 09:45

Attendee Engagement:

Brainstorming and Group Case discussion (5-6 participants: 1 facilitator)

Abstract:

With the Covid pandemic, rehab delivery has adapted to the needs and opportunities available in continuing to maintain / improve our Seniors' physical and social functioning. Through this interactive workshop, we share our experience and identify the feasibility of conducting Telerehabilitation with Seniors in Singapore.
